

TRAINING WORKSHOPS

HIV & STI 101

Together or separately, we will cover the basic information on HIV/STI transmission & prevention.

UNIVERSAL PRECAUTIONS

Basic information on Universal Precautions suited for social service agencies & facilities.

BECOMING A RESPONSIBLE TEEN (BART)

This program is for youth participants that explore basic HIV & STI information, healthy decision-making, & assertive communication skills.

ENDING HIV STIGMA

This topic covers the history of the stigma surrounding HIV and how we can work together to overcome this issue.

PREP & PEP

An overview of these preventative measures and how the agency can assist in finding these resources.

ALLYSHIP

LGBTQ+ history and ways to work in the community to become an ally and show your support.

SEXUAL HEALTH BINGO

Fun and interactive way to incorporate HIV, STIs, Safer Behaviors, and other health-related topics with a chance to win prizes.

TRAINING WORKSHOPS

HEALTHY RELATIONSHIPS

Participants will be able to identify the characteristics of a safe and respectful relationship.

HARM REDUCTION

Harm Reduction definition and techniques in order to promote better health outcomes with regard to substance use

SEXUAL HEALTH HYGIENE

This includes a review of body parts involved in sex and how to best care for those areas to encourage proper hygiene and safety

SERVICE OVERVIEW

A review of AIDS Resource Alliance's services and program to foster collaboration and referrals.

We welcome the opportunity to meet with you to discuss your organization's and its participants' needs. We are willing to create a training or presentation to cater to those needs so as to embrace the uniqueness of the services and programs you offer.

Please reach out to us to schedule a time to talk:
